AT LAST A DISTRIBUTOR RISK FREE FUND RAISER

Dear Friends,

With *Candy, Sugar & Sweets* under attack, more and more distributors are turning to flower bulb programs where there's no resistance and hardly any competition.

If you have a web site, you can sell groups our bulb program nationwide **without a sales force and without making a single sales call!**

The point of all this is at a 5x markup, there's big money to be made in flower bulbs and there is a huge market out there...you just need to learn how to get them & here's how.

PMA created a program that you can download on your website and it's ready to go now.

- Just put Holland Pride's flower bulb program on your website & stand by the phone.
- # All your prospects have to do is call your telephone # _____ and order the brochures.
- # Brochures cost you 20¢ each. You can offer them free or charge the customer and give them a credit when they place their order.

Distributor cost to go in business : Purchase your brochures, select the rebate you want to receive and we will send you a free CD ready to put on your web site.

* Buy \$1,000-\$4,999.00 in Bulbs...and receive a 5¢ per Brochure rebate (25%)

* Buy \$5,000 + in Bulbs...and receive a 10¢ per Brochure rebate (50%)

The beauty of this program is there's no inventory to buy, no product to handle, no collections or bad debts because the flower bulbs are pre-sold and you collect the cash when the customer places the order and... **you don't have to sell it**

Distributor calls PMA with the order, Holland Pride ships the order to the piece freight paid directly to your customer and then all you have to do is pay Holland Pride promptly.
